

## ***Vermont***

### **Vermont General Comments**

- Closing RC facilities is offset by the construction of modern AFRCs that will be the right size and design to support units that will be stationed there. Transforming RC facilities in Vermont will improve training, readiness and quality of life for more than 835 RC soldiers, full-time unit support personnel, and their families.

### **Reserve Component**

Gains:

- Build 2 new Armed Forces Reserve Centers and 2 new Organizational Maintenance Facilities

Losses:

- Close 4 Army Reserve Centers
- Close 4 Army National Guard Centers with State permission
